

# Campaign Manager

## Quick Facts

- Easily send hundreds to millions of SMS
- Full two-way messaging (Send and Receive)
- Full Reporting available online

Your go-to solution for managing SMS campaigns efficiently. This platform offers an easy, step-by-step process to send messages to your audience, making sure your campaigns are delivered with precision and reliability.

Key Features:

**Easy Campaign Setup:** Simply upload your CSV file containing your numbers and message, schedule your campaign, and customize settings like segment timing, start and end times, and even pause during specific hours.

**Duplicate Safeguards:** The system helps prevent duplicates, ensuring that your recipients won't receive the same message more than once within a short window.

**Extended Message Support (EMS):** Send messages longer than 160 characters, which appear as a single text on most phones.

With user-friendly controls and automated checks, Bulk SMS Campaign Manager is designed to make your campaigns seamless and effective. Perfect for any organization looking to boost engagement, save time, and communicate effectively.
